OFFICE FOR CIVIL RIGHTS AND TITLE IX

OUR MISSION
To educate all campus community members regarding how to prevent, identify, and report discrimination, harassment, and gender-based violence; to monitor complaints of discrimination, harassment, and gender-based violence, conduct a fair and equitable investigation of each complaint, and use information from monitoring and investigations to inform prevention education; to connect those affected by discrimination, harassment, and gender-based violence with campus and community resources that will allow them to move forward.

OUR VISION
A campus where classrooms, laboratories, and workplaces are free from discrimination, harassment, and all forms of gender-based violence.
